

Thank you for wanting to make a difference in the lives of patients and families at Wolfson Children's Hospital. A gift of toys, games and other items of comfort can make a big difference to children and families spending time in the hospital, and we accept them all year long. Patients and families are very appreciative of all gifts and are touched by your generosity to help make the hospital stay more enjoyable.

The next page provides a list of items that are most useful to patients. This is just to get you started...

When selecting items for donations, please keep in mind:

- Toys must be brand new and not gift wrapped.
- Toys representing violent themes cannot be accepted.
- Donations may not be religious in nature or content
- Latex balloons are not allowed
- Stickers are not accepted
- Handmade cards are not accepted
- Stuffed animals are needed year round for children newborn to 21 years old!

For groups interested in service projects, please consider the following:

Activity Kits: Bags filled with ready to make crafts (please include the supplies and directions) and fun things to do such as coloring books, crayons, scissors, word search, maze and puzzle books, colored pencils, glue sticks, paint, etc.

Charitable Banks: Paint DIY banks and fill each one with \$5 in change. Banks are distributed to children staying in the hospital allowing the child to purchase something from the Wolfie Wagon. Vendors such as Oriental Trading Company carry various banks that can be decorated. The Wolfie Wagon visits patient floors, which is a store on wheels. Money raised from the Wolfie Wagon comes directly back the Auxiliary to help fund children's projects.

Toiletry kits: Make our patients and families stay at the hospital more comfortable. Please provide travel sizes only. Priority contents for toiletry kits include: Shampoo and conditioner, body wash, deodorant, hair brush, lotion, razor and shaving cream, tooth brush and tooth paste, and feminine care products.

Fleece Blankets: Bright and warm, Fleece Blankets are fun to make with a group who want to send a reminder to a hospital room that someone cares. This project is a simple, inter-generational service activity that will provide a large amount of comfort. No-sew fleece kits sold at craft stores are perfect projects. DIY instructions can be found on Pinterest or YouTube.

For more information, please call the Auxiliary office at 904-202-8008. Donation drop offs may be coordinated through the office or left at the desk in the children's admitting area on the first floor. Please include WCH Auxiliary on the outside of the box or bag along with the donation form. Thank you for making a difference in the lives of patients and families at Wolfson Children's Hospital!
