Thank you for your interest in helping patients and families at Wolfson Children's Hospital. Donations of toys, games, stuffed animals and crafts are always welcome throughout the year. Toys and games are used in the playrooms to comfort and entertain children during the hospital stay. Stuffed animals and blankets are given to children to take home. Donations also make it possible for patients to choose a gift after a medical procedure or to celebrate a birthday or holiday. Patients and families are very appreciative of all gifts and are touched by your generosity to help make the hospital stay more comfortable.

The next two pages provide a list of items that are most useful to patients. This is just to get you started - use your imagination and think of what the kids you know would like.

When selecting items for donation, please keep in mind:

- Toys must be brand new and not gift wrapped.
- Toys representing violent themes cannot be accepted.
- Donations may not be religious in nature or content.
- Latex balloons are not allowed.
- Stickers are not accepted
- Greeting cards and holiday cards are not accepted.
- Toys are needed year-round for children from newborn to 21 years old!

For groups interested in service projects, please consider the following:

Activity Kits: Bags filled with ready to make crafts (please include the supplies and directions) and fun things to do such as coloring sheets/books, crayons, scissors, word search puzzles, markers, colored pencils, glue, glue sticks, watercolor paints, etc.

Band-Aid Drive: Band-Aids (Latex-free) with fun cartoon characters on them can make the hospital less frightening for our patients.

For more information, please call the child life department at **904.202.8541**. Donations may be left at the desk in the children's admitting area on the first floor. Please include your name and address or that of your organization with the donation. Thank you for making a difference in the lives of patients and families at Wolfson Children's Hospital!
